"[A] riveting story... you owe it to yourself to pick up The Last Viking. It's that exciting, that good."The Washington PostA rich and compelling account of the life of King Harald Hardrada, the man who inspired the hit Netflix show "Vikings Valhalla".Harald Sigurdsson burst into history as a teenaged youth in a Viking battle from which he escaped with little more than his life and a thirst for vengeance. But from these humble origins, he became one of Norway's most legendary kings. The Last Viking is a fast-moving narrative account of the life of King Harald Hardrada, as he journeyed across the medieval world, from the frozen wastelands of the North to the glittering towers of Byzantium and the passions of the Holy Land, until his warrior death on the battlefield in England.Combining Norse sagas, Byzantine accounts, Anglo-Saxon chronicles, and even King Harald's own verse and prose into a single, compelling story, Don Hollway vividly depicts the violence and spectacle of the late Viking era and delves into the dramatic events that brought an end to almost three centuries of Norse conquest and expansion.
