She's engaged to a man with a promising future. But even as she makes plans to say "I do," another man is hoping that she won't.... It wasn't easy for Lacy Jordan to watch her best friends get paired off one by one, while she was still single and toiling away at a low-paying job. Maybe that's how she ended up engaged to her mother's chiropractor-a man who looks good on paper, but whose stiff manner and controlling ways leave Lacy cold. When steamy-hot glass artist Daniel Reed rescues Lacy from a dicey situation, she finds herself feeling things for him that she's never felt for another man. But Daniel's reluctance to accept her love-and everything that comes with it-means he's the one who needs an adjustment, before both of their hearts are shattered. FIRE AND GLASS is the fourth book in Linda Seed's Main Street Merchants series. Read the books readers have called "absolutely fantastic," "wonderful," and "funny and emotional."
