Rumiko Takahashi's epic in a large prestige format including bonus color pages! Kagome is an ordinary modern schoolgirl living an ordinary life. Who would have thought the dried-up old well on the site of her family's shrine would be a gateway to Japan's ancient past? Drawn through the gate against her will, Kagome finds herself battling demons for control of what she thought was a worthless trinket but is actually a powerful magical gem, the Shikon Jewel! Together with an unlikely ally, the half demon Inuyasha, Kagome begins a quest to recover the shards of the Shikon Jewel and learn more about her link to the past. In both the past and the present, Kagome and Inuyasha face new enemies while on their search for the shards of the Shikon Jewel. As they grow closer, Kagome learns that Inuyasha harbors a carefully guarded secret. Then an evil ogress plans to resurrect Kikyo. If Kikyo returns, will she seek vengeance against Inuyasha? And will Inuyasha be forced to choose between Kikyo and Kagome?
