In this last installment of the Tales of a New World series, love and goodness are put to the ultimate test as gods, humans, and animals come together to save everything they hold dear. Mari, Nik, their newly formed Pack and the Wind Riders are in danger as the God of Death and his terrifying army march ever closer in Death's quest to rule the Wind Rider Plains - and to kill or enslave anyone who stands in their way. The Pack and the Wind Riders must find a way to stop the God of Death before he poisons their world and all is lost. There is one hope Ralina, Death's Storyteller. The woman Death has forced to travel at side, recording every atrocity he commits. But Ralina heeds the call of the Goddess of Life, the only being who can defeat Death, and escapes to warn the Pack and the Wind Riders with the knowledge she has accumulated during her harrowing journey. But will it be enough? Is there any way to truly stop the God of Death?
