Holly Frank is in trouble. The deadly kind. She and her sister must evade the authorities and the criminals who want them dead. Including Elijah North. The man who took her heart in Paris, her body in a prison cell, and her trust without remorse. He's determined to keep her safe. Even if that means losing her forever. Adam Bisset has his own dark agenda. She's caught between the two men, torn apart with every sensual push and pull. Each touch is a lie, each whispered tenderness a trap-but she can't resist them. Their lies are tearing her apart. Her enemies are catching up with her. And when she's taken captive again, she finds out secrets to unravel it all.
