Overview :

With all the fire and fury fans have come to expect from internationally bestselling author George R. R. Martin, this is the first volume of the definitive two-part history of the Targaryens in Westeros. Centuries before the events of A Game of Thrones, House Targaryen?the only family of dragonlords to survive the Doom of Valyria?took up residence on Dragonstone. Fire and Blood begins their tale with the legendary Aegon the Conqueror, creator of the Iron Throne, and goes on to recount the generations of Targaryens who fought to hold that iconic seat, all the way up to the civil war that nearly tore their dynasty apart. What really happened during the Dance of the Dragons? Why did it become so deadly to visit Valyria after the Doom? What is the origin of Daenerys?s three dragon eggs? These are but a few of the questions answered in this essential chronicle, as related by a learned maester of the Citadel and featuring more than eighty all-new black-and-white illustrations by artist
