Arlo Carini saved my life, only to destroy it. When I first met him, he was the wealthy, powerful, sexy stranger giving me and a dozen other art history students a tour of his mansion. But he soon became my everything. My savior. My lover. My obsession. He tried to warn me. Every chance he could, he tried to get me to run far, far away. But it only made my obsession grow stronger. Until I made the worst mistake I could. And ended up trapped forever.
