The Hunted series continues as Special Agent Sam Turner discovers that protecting the FBI's star witness is more difficult than he thought! Bakery owner Elizabeth Hamilton's quiet life is filled with sweet treats, good friends, and a loving family. But all of that is about to turn sour when an odd sound draws her outside. There's a man lying unconscious in the street, a car speeding toward him. Without hesitation, she gets the man out of harm's way before they're run down. Unwittingly, Elizabeth has put herself in the path of a serial murderer, and as the only one who can identify the FBI's Silver Fox Killer, she's ended up in the hospital with a target on her back. All that stands between her and death is Special Agent Sam Turner. Against his better judgment, Sam gets emotionally involved, determined to take down the double threat against Elizabethan ex desperate to get her back, despite a restraining order, and a psychopath bent on silencing her before she can identify him. They set a trap to catch the killer putting Elizabeth in his hands, with Sam desperate to save her. If he's lucky, he'll get his man . . . and the girl.
