The top manga launch in Japan in the first half of 2018, A Man and His Cat was also voted one of the Top 10 manga of 2018 by Japanese bookstore employees nationwide. Having won hearts and topped charts in Japan, this hotly anticipated series about an older gentleman and his unique, adorable cat is available in English for the first time! Rival pianist Geoffroy and five kittens (!!) have taken up residence at Mr. Kandas house, and things are livelier than ever! But when an outrageous young woman who claims to be Mr. Kandas daughter comes calling, Geoffroy is bewildered and has no one to turn to with Mr. Kanda away! What will become of Geoffroy when a visiting Hibino joins the fray, and cats and (found) family collide?! tags:
