Tattooed Protector. Hollywood Princess. Nick Gallo lives wild and free, avoiding any complications or drama. But when he overhears a conversation at a late-night taco stand, he can't help but insert his two cents, telling the woman she was too good for that kind of hassle. Josephine Carmichael lives in the crosshairs of the paparazzi as the child of a Hollywood power-couple. But when her celebrity boyfriend has an affair while they're on vacation, she takes off to the middle-of-nowhere Florida, ending up crying in her nachos. And when Nick finds Josephine sleeping in the parking lot of a local store, his protective instincts take over. What starts out as a simple favor, takes them down a road they never imagined.
