BOOK ONE IN A BRAND NEW SERIES - FIRST TIME IN PAPERBACK - by Nebula and Hugo Award Winner Catherine Asaro set in the world of her Skolian Empire universe. In the galaxy-spanning future, Major Bhaajan is a tough female P.I. who works the dangerous streets of Undercity. Major Bhaajan, a former military officer with Imperial Space Command, is now a hard-bitten P.I. with a load of baggage to deal with, and clients with woes sometimes personal, sometimes galaxy-shattering, and sometimes both. Bhaajan must sift through the shadows of dark and dangerous Undercity, the enormous capital of a vast star empire, to find answers. About Undercity Asaro plants herself firmly into that grand SF tradition of future history franchises favored by luminaries like Heinlein, Asimov, Herbert, Anderson, Dickson, Niven, Cherryh, and Baxter. . . They don't write 'em like that anymore! Except Asaro does, with . . . up-to-the-minute savvy! Locus [Baahjan], who starts out keeping an emotional distance from the people in the Undercity soon grows to think of them as her community once more. Asaro . . . returns to the Skolian empire's early history to tell Bhaaja's story. Booklist Asaro delivers a tale rich with the embedded history of her world and bright with technical marvels. Her characters are engaging and intriguing and there is even a bit of romance. What really touched my heart was Bhaaja's interaction with the children of the aqueducts. I spent the last fifty pages of the book sniffing into a tissue. SF Crowsnet I'm hooked, both on her writing and her Skolian universe. This book had everything I wanted: strong characters, a new and unique world, and a plot that isn't as simple as it first appears. TerryTalk About Catherine Asaro's Skolian saga Entertaining mix of hard SF and romance. Publishers Weekly Asaro's Skolian saga is now nearly as long and in many ways as compelling as Dune, if not more so, featuring a multitude of stronger female characters. Booklist Rapid pacing and gripping suspense. Publishers Weekly
