ISBN-13: 9780802127266

Tightly plotted . . . McDermid applies her formidable intelligence and muscular style to the kind of urban crime novel that gives Scotland its tough rep and vigorous lingo . . . [A] superior series. Marilyn Stasio, New York Times Book Review When a teenage joyrider crashes a stolen car and ends up in a coma, a routine DNA test reveals a connection to an unsolved murder from twenty-two years before. Its a cold case that should be straightforward. But its as twisted as the DNA helix itself. Meanwhile, Karen, mired in grief after the death of her partner, finds herself irresistibly drawn to a mystery that has its roots in a terrorist bombing two decades ago. Karens intuition is telling her something doesnt add up. But is she onto something? Or has she, as her boss has been waiting for, gone too far this time? An enthralling, twisty read that takes Karen into the vagaries of privacy law, the history of the Northern Irish Troubles, and right into the heart of power in London, Out of Bounds reaffirms Val McDermids place as one of our finest crime writers. A thriller as steely and superlative as its heroine. O, The Oprah Magazine There are few other crime writers in the same league as Val McDermid . . . Another terrific and intricate suspense novel by a writer who has given us 30 of them. Washington Post Exciting . . . [McDermid] balances the intense character studies in Out of Bounds with an inside view of the Scottish legal system and again shows her acuity in producing intelligent thrillers. Associated Press Thirty books in, most crime writers start to flag, but not Val McDermid . . . McDermids work always slashes like a knife. The Globe and Mail (Canada)
