Jane West's life is perfectly average. Perfectly boring. Until Ty Strickland-Grade-A, smoking hot firefighter-moves in down the street. Then things get a little exciting, and not in the good, panty-melting sort of way. Not only does someone want her dead (seriously), she has to wrangle her out-of-control desires where the new neighbor is concerned, and convince her boss at the small town's only adult toy store-who meddles in Jane's love life-to leave the new hose-wielding hottie off her matchmaking radar. But it's not all chaos and pancakes. There's Ty. And his smoking hot body. Smoking hot kisses. He's burning the walls around her heart to nothing but ash. And she just might be falling in love...if she can stay alive long enough. This is the first book in Vanessa Vale's new Small Town Romance series, where the men in Montana aren't just hot, they set things on fire.
