Don't make decisions about your Medicare coverage without reading this book! Updated for 2024 - Over 40,000 copies sold! #1 Best-Selling Book in Less than 48-Hours After Reading This Book, You Will: Know what Medicare pitfalls exist and how to expertly avoid them Be ready to make the major Medicare decisions Be knowledgeable about the costly penalties and how to steer clear Who This Book is For: New to Medicare - This book will help anyone approaching Medicare eligibility at age 65 who needs to learn the basics and is afraid of making a mistake that will result in penalties or inadequate healthcare coverage Retiring after 65 - Perhaps you have worked past age 65 and maintained employer coverage but now you are retiring and want to successfully transition from group health insurance coverage to Medicare as your primary coverage. This book will show you the exact steps to take while also sidestepping unexpected (and often undeserved) late enrollment penalties. Beneficiaries Facing Indecision - Get this book if It's time for you to make a choice between a Medigap plan (Medicare supplement) and Medicare Advantage but you find yourself torn and aren't sure which route would be a better fit for you. Confused by Election Periods - Are all the various Medicare election periods making your head spin? This book carefully explains what changes and plan selections you can make during the various election periods and more importantly, what those election periods WON'T give you that you probably expect. Adult Children and Caregivers - If you find yourself in a situation where you need to help your parents make Medicare coverage decisions but have no idea how Medicare works, this book will be immensely helpful to you. Every year thousands of seniors make big mistakes during their Medicare enrollment that can result in expensive penalties and untold hours of hassle and headaches. While some of these mistakes are fixable, others can affect you for the rest of your life. In 10 Costly Medicare Mistakes, Medicare expert Danielle K. Roberts exposes the most common pitfalls that new to Medicare beneficiaries unwittingly make and shares how to expertly avoid them. As a Medicare expert and co-founder at Boomer Benefits, Danielle has spent the last 15 years helping thousands of Medicare beneficiaries learn how to navigate their entry into Medicare. Her goal has always been to make the entry into Medicare and enrollment process easier for ordinary Americans. This is no small task as most Americans spend their entire working lives having their healthcare plans chosen for them by their employers. Now suddenly they have to try to make sense of a huge national healthcare program that has 4 parts, 10 supplements, and thousands of plan options. To make matters worse, Medicare beneficiaries who get it wrong upfront can find themselves paying penalties they don't deserve and being trapped in plans that don't fit their needs, lifestyle, or budget. In 10 Costly Medicare Mistakes, Danielle guides new beneficiaries through the key decisions they'll need to make at the beginning of their journey while also helping them expertly avoid the most common and costly mistakes that new beneficiaries often make. Readers can also get a free copy of helpful Medicare guides, charts, PDFs, and custom calendars that will help you to manage your Medicare. Order Your Copy Today! Steer clear of the bank-breaking Medicare mistakes.
