Peyton Kroft was his forever, until the unthinkable happened. Walking away all those years ago had been the right thing to do, but he's ready to put the past behind him. Moving to San Francisco and hiring his first love, the city's top designer, is a good place to start. Yet it stirs up feelings he thought he'd buried. Jackson Vance broke her heart. He took half of it with him on his way out of town. Picking up the pieces hadn't been easy, but more than nine years later, Peyton is living her best life. Coming face to face with her first love is not on the agenda. He is beautiful, broken, and everything she's ever wanted. The past still hovers like a dark cloud. But every dark cloud has a silver-lining.
