ISBN-13: 9780544195547

The best single volume available on the torturous life and savage reign of Adolf Hitler. Time A bestseller in its original German edition and subsequently translated into more than a dozen languages, Joachim Fest's Hitler has become a classic portrait of a man, a nation, and an era. Fest tells and interprets the extraordinary story of a man and a nation's rise from impotence to absolute power, as Germany and Hitler, from shared premises, entered into their covenant. He shows Hitler exploiting the resentments of the shaken, post-World War I social order and seeing through all that was hollow behind the appearance of power, at home and abroad. Fest reveals the singularly penetrating politician, hypnotizing Germans and outsiders alike with the scope of his projects and the theatricality of their presentation. Perhaps most importantly, he also brilliantly uncovers the destructive personality that aimed for and achieved devastation on an unprecedented scale. As history and biography, this is a towering achievement, a compelling story told in a way only a German could tell it: dispassionately, but from the inside (Time).
