"I'm not the hero in this story, girl. You'd do best to remember that." Once upon a time, I was an eighteen year old psychology student. Now, I'm a man's property. Stolen and sold, I've been decorated in bruises since the day my world changed two years ago. I suffer in silence, I crave freedom, but I never break. I can't. Until he arrives. Elder Prest, the only man to look at me and see me. The only man more ruthless than my owner. He wants me for reasons I don't understand. He claims me for one night then leaves and never looks back. Until he returns. And life becomes much more complicated.
