New York Times Bestseller "An intricate story that entwines considerations of faith and faithlessness, inquiry, denial, fear and survival in gorgeously conceived metaphor. Kingsolver has constructed a deeply affecting microcosm of a phenomenon that is manifesting in many different tragic ways, in communities and ecosystems all around the globe. Seattle Times A truly stunning and unforgettable work from the extraordinary New York Times bestselling author of The Lacuna (winner of the Orange Prize), The Poisonwood Bible (nominated for the Pulitzer Prize), and Animal, Vegetable, Miracle. Flight Behavior is a brilliant and suspenseful novel set in present day Appalachia; a breathtaking parable of catastrophe and denial that explores how the complexities we inevitably encounter in life lead us to believe in our particular chosen truths. Kingsolver's riveting story concerns a young wife and mother on a failing farm in rural Tennessee who experiences something she cannot explain, and how her discovery energizes various competing factions: religious leaders, climate scientists, environmentalists, politician strapping her in the center of the conflict and ultimately opening up her world. Flight Behavior represents contemporary American fiction at its finest.
