New York Times and USA Today bestselling author Elle Kennedy brings her signature angst, humor, and spice to the first three icy-hot Off Campus novels. The series follows a house of hockey-playing college roommates and the women who knock them off their pedestals, teaching them that love is worth more than any game-scoring goal. The Deal While Hannah Wells might be confident in every other area of her life, she's carting around a full set of baggage when it comes to sex and seduction. If she wants to get her crush's attention, she'll have to step out of her comfort zone...even if it means tutoring the annoying, childish, cocky captain of the hockey team, Garrett Graham, in exchange for a public pretend date. But when one unexpected kiss leads to the wildest sex of both their lives, it doesn't take long for Garrett to realize that pretend isn't going to cut it. Now he just has to convince Hannah that the man she wants looks a lot like him. The Mistake For college hockey star John Logan, life is a parade of parties and hook-ups, but behind his killer grins and easygoing charm, he hides growing despair about the dead-end road he'll be forced to walk after graduation. A sexy encounter with freshman Grace Ivers is just the distraction he needs, but when a thoughtless mistake pushes her away, Logan plans to spend his final year proving to her that he's worth a second chance. But this time around, she'll be the one in the driver's seat...and she plans on driving him wild. The Score Wild rebound sex after a breakup is definitely not the solution to Allie Hayes's problems, but gorgeous hockey star Dean Di Laurentis is impossible to resist. Just once, though, because even if her future is uncertain, it sure as heck won't include the king of one-night stands. Dean has never met a woman who's immune to his charms...until Allie. For one night, the feisty blonde rocked his entire world and now she wants to be friends? Nope. It's not over until he says it's over.
