Ann can't tolerate the new guy assigned to her camera crew. She's been in journalism long enough to know when someone is full of himself. And this guy is so full of himself, he can't seem to point the camera in the right direction. Her latest assignment in Brazil, seemed harmless enough, but now she's in over her head and the only way out is to trust the man that helped put her in the line of fire to begin with. Ethan is ex-special forces with a stellar record and long resume of top secret missions. Leaving the military was a tough decision, but working for himself provides the freedom he loves. Taking the occasional high-profile security job helps pay the bills and keep his need for excitement at bay. When he takes an undercover job for an old client, his years of training and experience are put to the test. However, babysitting the senator's daughter proves to be a challenge he can hardly resist.
