"I can command storms, summon fire and unmake stone," Balfruss growled. "It's dangerous to meddle with things you don't understand." Balfruss is a battlemage, sworn to fight and die for a country that fears and despises his kind. Vargus is a common soldier -- while mages shoot lightning from the walls of the city, he's down in the front lines getting blood on his blade. Talandra is a princess and spymaster, but the war may force her to risk everything and make the greatest sacrifice of all. Magic and mayhem collide in this explosive epic fantasy from a major new talent.
