COMING SOON FROM HEATHERLY BELL, a brand new series!"What a thoroughly delightful story! I adored it." Lori Wilde, New York Times bestselling author Sadie Stephens has loved Lincoln Carver since she was a girl, but a family feud involving a runaway bride closed any options for a romance. Lincoln's only interest in her now is one of obligation and guilt. After all, he's the one responsible for the lassoing "incident" (don't ask.) Lincoln is not worried about the lack of women in Stone Ridge, Texas. He's content earning the occasional buckle as a rodeo champ and working his family's cattle ranch. In fact, life was perfect until his matchmaking granny stuck her nose in his business. Now, he's accidentally injured his best friend's sister, the woman partly responsible for a family feud. It's anyone's guess what will happen next..."Lucky Cowboy is an engaging read you can really sink into and enjoy!" Cora Seton, New York Times bestselling author"Be prepared to fall in love, with a story that will warm your heart and curl your toes!" New York Times bestselling author, Marina Adair"If you like Virgin River, you'll love Lucky Cowboy!" Kate Kisset, USA Today bestselling author of the Lonesome Cowboy series
