A firework of a fantasy novel vibrant, explosive, deliciously dangerous, and impossibly fun. Tasha Suri Strap in for a thrilling adventure in the sequel to Davinia Evanss wickedly entertaining debut fantasy that follows our favorite irreverent alchemists, high society ladies, and swashbuckling street gangs as they wrestle with the nature of reality itself. Siyon Velo might be acknowledged as the Alchemist. He may even have stabilized the planes and stopped Bezim from ever shaking into the sea again. But that doesnt mean he has any idea what hes doing and it wont be long before everyone knows it. To make things worse, mythical creatures once confined to operas and myths are spotted around Bezim. A djinn invades Zagiris garden party, and whispers of a naga slither across Anahids Flower district card tables. Magic is waking up in the Mundane. Its up to Siyon to figure out a way to stop it, or everything hes worked so hard to save will come crashing down. Praise for The Burnished City! loved getting lost in this dazzling debut. Shannon Chakraborty, author of The City of Brass Sheer, glorious fun! Freya Marske, author of A Marvellous Light The Burnished City Notorious Sorcerer Shadow Baron Shadow Baron
