Bristol Newton has spent the past couple of years doing her best to keep her distance from Kaden and Keegan Walker. Up to this point, avoiding the sexy twins hasn't been as easy as she hoped it would be. Thankfully, she has a plan: sign them up for the Fall Festival's auction and let some lucky lady win a date with them. After all, it's for a good cause. Plus, it ensures she doesn't get pulled under their spell. She should've known even that wouldn't be easy. When Kaden and Keegan have questions, Bristol reluctantly agrees to dinner to explain the details. That was her first mistake. The second resulted in the hottest night of her entire life with the two sexiest men she'd ever met. A night that would change all their lives in ways they never expected.
