In this paranormal romantic comedy, a librarian-turned-vampire is a bridesmaid at her best friends wedding to a werewolf. With her best friend Zebs Titanic-themed wedding looming ahead, new vampire Jane Jameson struggles to develop her budding relationship with her enigmatic sire, Gabriel. It seems unfair that shes expected to master undead dating while dealing with a groom heading for a nuptial nervous breakdown, his hostile werewolf in-laws, and the ugliest bridesmaid dress in the history of marriage. Meanwhile, the passing of Janes future step-grandpa puts Grandma Ruthie back on the market. Her new fianc, Wilbur, has his own history of suspiciously dead spouses, and he may or may not have died ten years ago. Half-Moon Hollows own Black Widow has finally met her match. Should Jane warn her grandmother of Wilburs marital habits or let things run their course? Will Jane always be an undead bridesmaid, never the undead bride? Praise for Nice Girls Dont Have Fangs Janes snarky first-person narrative is as charming as it is hilarious.... [Harpers] take on vampire lore will intrigue and entertain even the most jaded paranormal fan. Publishers Weekly, starred review A chuckle-inducing, southern-fried version of Stephanie Plums the Burg. Booklist Move over Sookie Stackhouse. Theres a new kid in town. Susan Anderson, New York Times bestselling author of Bending the Rules
