Nelson DeMilles #1 New York Times bestseller, an action-packed, relentlessly paced thriller (Publishers Weekly, starred review), featuring DeMilles newest character U.S. Army combat veteran Daniel Mac McCormick, a charter boat captain setting sail on his most dangerous cruise yet. Daniel Graham Mac McCormick Mac for short seems to have a pretty good life. At age thirty-five hes living in Key West, owner of a forty-two-foot charter fishing boat, The Maine. Mac served five years in the Army as an infantry officer with two tours in Afghanistan. He returned with the Silver Star, two Purple Hearts, scars that dont tan, and a boat with a big bank loan. Truth be told, Macs finances are more than a little shaky. One day, Mac is sitting in the famous Green Parrot Bar in Key West, contemplating his life, and waiting for Carlos, a hotshot Miami lawyer heavily involved with anti-Castro groups. Carlos wants to hire Mac for a ten-day fishing tournament to Cuba at the standard rate, but Mac suspects there is more to this and turns it down. The price then goes up to two million dollars, and Mac agrees to hear the deal, and meet Carlos clients a beautiful Cuban-American woman named Sara Ortega, and a mysterious older Cuban exile, Eduardo Valazquez. Mac learns that there is sixty million American dollars hidden in Cuba by Saras grandfather when he fled Castros revolution. With the Cuban Thaw underway between Havana and Washington, Carlos, Eduardo, and Sara know its only a matter of time before someone finds the stash by accident or on purpose. And Mac knows if he accepts this job, hell walk away rich...or not at all. The Cuban Affair is a timely stay-up-all-night, nail-biting page-turner featuring Nelson DeMilles iconic tongue-in-cheek, articulate, rhythmic narrative. His affably irreverent protagonist, fantastic believable supporting characters, and tense, realistic Cuba-set scenes including some jaw-dropping revelations make this a must read (Library Journal, starred review). Genuinely gripping (Newsday), told with incredible wit (Tampa Bay Times), The Cuban Affair feels authentic and real, and it provides knuckle-white tension mixed in with levity (Associated Press).
