Love should burn slowly, but with EzraEthic Okafor it is always fleeting. After an accidental killing affects Alani, the woman he loves, she thinks hes a monster. Separated by tragedy, the pair endure a loss like nothing they have ever felt and their connection is impossible to repair. Ethic is reduced to misery and raising his children alone once again. With Morgan in the throes of a passionate love affair and Bella in need of guidance that he cant provide, Ethic is in turmoil. Hes failing as a man and the fingerprint he is leaving on the world is a bloody one. In this second installment of this epic love story, Ashley Antoinette taps into the soul of her readers as she explores the limits of love and forgiveness. Is anything truly unforgivable? Or is Ethic the one man who can love a woman back from the edge of madness. Ashley Antoinette is one of the most prolific and successful writers of her generation.
