Cape May, New Jersey, is the site of a big culinary competition and the knives are out . . . Poppy McAllister is happy about opening a Jersey Shore Bbut working in a professional kitchen has always been her real dream. Now its coming true, at least briefly, as she teams up with her former fiance, Tim and his condescending partner, Gigi during the high-profile Restaurant Week challenge. Poppys specialty is pastries, despite her devotion to a Paleo diet. But if anyone can make glorious gluten-free goodies, its Poppy. Things get heated quickly especially when some ingredients get switched and Tims accused of sabotage. Relatively harmless pranks soon escalate into real hazards, including an exploding deep fryer. And now one of the judges has died after taking a bite of Poppys cannoli making her the chef suspect . . . Includes Seven Recipes from Poppys Kitchen!
