Red is the color of blood, sacrifice, danger, and courage. It's also associated with heat, passion, and sexuality. When two people meet unexpectedly with an inexplicable attraction that defies common understanding...it can be called RED SIN. Julia and Van found one another in a shaken snow globe. Stranded in a blizzard, they embraced being two individuals with no last names. The plan was to walk away from each other with no regrets-until that plan changed. Julia's life was delivered a staggering blow the day she discovered her fianc's infidelity. The night she met a handsome stranger, one who showed her the possibility of a life filled with more than the fulfillment of expectations, she took a chance. When it comes to business, Donovan Sherman is a wolf-a bloodthirsty carnivore who leaves wounded prey and victims in his wake. He learned from the best, his onetime nemesis and now-mentor, Lennox Demetri, who showed him that opportunities are only ripe for those willing to risk it all, a lesson Donovan took to heart. With Julia McGrath, Donovan must decide if this beautiful woman who showed him the meaning of red sin will fall victim as his prey or if after experiencing the unbridled passion, there is more that he wants. From New York Times bestselling author Aleatha Romig comes a brand-new age-gap, family saga, chance meeting, contemporary romantic-suspense novel in the world of high finance, where success is sweet and revenge is sweeter. Have you been Aleatha'd? *RED SIN is a full-length novel and book one of four in the Sin Series.
