The first five books of the Bible is known as Pentateuch. A long tradition holds that the five books of the Pentateuch or Torah (Genesis, Exodus, Leviticus, Numbers, and Deuteronomy) were written by Moses. The verb create (*b̄ ā r̄ a'*) occurs five times in Genesis(vv,) and another five times between Genesis and This paper examines those important aspects that an individual should look at when dealing with the text of the Pentateuch. It has been used since at least early Christian times for the first five books of the OT, Genesis to Deuteronomy Four of the five books in the Pentateuch deal with the time of Moses, and one recent suggestion has been that we should think of the Pentateuch as a biography of Moses with an introduction, that is, Genesis. It looks on the genre used in the Pentateuchal texts and how we can interpret the texts to a modern society The JEPD Theory. This attempts to answer the question in terms of the literary genre of the Pentateuch The Pentateuch begins with a description of God as Creator of heaven and earth (Gen.), and it ends with a reference to God as the Father and Creator of Israel (Deut.,). The tradition honors Moses because of his esteemed position as lawgiver and friend of God. But it is highly unlikely that he wrote the version of the Pentateuch that we have today The Pentateuch is a collection of the five unique books that form the first part of the Old Testament. It is the collection of the books with a strong argument against theThe Content and Biblical Theology of the Pentateuch: You will read through the Pentateuch in a modern English translation.
