- This is the large print edition of A Catamount Christmas. A holiday shifter romance with a guaranteed HEA from USA Today Bestselling Author J.H. Croix! If you like smoking hot paranormal romance with a twist of suspense and adventure, you'll love this second chance holiday romance! When Max Stone saunters back into Catamount, Maine after fifteen years, he sends Roxanne Morgan's world spinning sideways and makes her wonder if she ever actually got over him. He's just as handsome as ever...and he wants another chance. Max has no doubts about the depth of his connection with Roxanne. Neither time nor distance has faded his feelings for her. She's everything he remembered and more--beautiful, strong, and sassy. They were only seventeen when they fell in love, and Max's life was sent careening away from Catamount--the birthplace of mountain lion shifters--after his father's death. Now, as Roxanne faces down old fears about what it means to let her heart be vulnerable again, Max begins to kick up dust over the alleged accident that killed his father. With Christmas approaching, Roxanne and Max might be able to capture the love they thought lost, and Catamount may finally lay rest to an old betrayal among shifters. \*All books in this series end in HEA.
