Fans of Robyn Carr's Virgin River series will love this small-town, feel-good romance! Can a little girl's Christmas wish come true? After a tragic accident, Megan Stevenson is determined to give Nora, her five-year-old niece, a loving and stable home. With her fantasy cake business thriving and her niece's nightmares finally over, her life is more stable than it has ever been--until a stranger knocks on her door. FBI Special Agent William Parker knows what it's like to lose the people you love. He's convinced himself that his job is all he needs to be happy. But while he's protecting Megan and Nora from a brutal terrorist group, his emotionless and solitary life is torn to shreds. With Christmas fast approaching, can Megan and Nora convince him that it's safe to love again...even if loving them is harder than letting them go? A CHRISTMAS WISH is the third book in the Sapphire Bay series and can easily be read as a standalone. Each of Leeanna's series are linked so you can find out what happens to your favorite characters in other books. Happy reading!
