How can he compete with a memory? Firefighting cowboy Trevor McGavin is blindsided by his unexpected attraction to Olivia Shaw, the least flirtatious woman he's ever met. But when her house is threatened by a wildfire in the middle of the night, he comes face to face with the sexy woman behind the strait-laced accountant's exterior. Young widow Olivia hasn't looked at another man since her husband died unexpectedly three years ago. She'd accepted her libido had died with him. Then Trevor strikes a match with his late-night heroics. No one could ever take the place of her late husband, but is it wrong to crave the sexy, broad-shouldered cowboy who brought passion back into her life? Saddle up for the popular McGavin Brothers series of steamy western romances from the NYT bestselling author who brought you the Buckskin Brotherhood series. If you like sexy cowboys, charming small towns, and laugh-out-loud adventures, you'll love meeting the residents of Eagles Nest, Montana. THE MCGAVIN BROTHERS The books in this series are standalone romances and can be read in any order.
