Willow I once faced evil...and lost. With the fate of my family-and our magic-suddenly in my hands, I vow to protect them no matter what. But the coven trials have claimed many witches, and vanquishing malevolent spirits, while hunting a possessed hellhound on a killing spree, is far more than I bargained for. Now the hellhound's domineering alpha is shadowing me. More beast than man, Warrick both tempts and terrifies. Still, I can't resist our overwhelming attraction and when a twisted enemy makes their move and I'm faced with an impossible choice, I need him more than ever. But fortune is fickle, and in a world full of monsters, falling in love can be hazardous to your health-and your heart.
