A fly is followed by a menagerie of characters in this humorous cumulative tale. When a young boy sees a frantic fly buzzing past, he asks where the fly is headed—and with that, a chase begins. The fly and the frog, the cat and the dog, the pig and the cow, the fox and the hunter. . .who is causing all the fuss? A Fly Went By will have young readers buzzing with excitement! Beginner Books are fun, funny, and easy to read! Launched by Dr. Seuss in 1957 with the publication of The Cat in the Hat, this beloved early reader series motivates children to read on their own by using simple words with illustrations that give clues to their meaning. Featuring a combination of kid appeal, supportive vocabulary, and bright, cheerful art, Beginner Books will encourage a love of reading in children ages 3–7. "The writing is merry and the pictures are real fun. Recommended." — School Library Journal.
