ISBN-13: 9780062995957

An instant New York Times bestseller! A stand-alone companion to the national bestsellers *A Wolf Called Wander* and *A Whale of the Wild*. Exiled from his band, a young, wild horse must find his way across treacherous terrain to reunite with his family after being captured for the Pony Express. Horn Book calls *A Horse Named Sky* "engrossing and fast-paced." This *Voice on the Wilderness* novel is an enthralling survival story about wild horses, family bonds, and a changing environment. Young colt Sky was born with the urge to run. Alongside his band, he moves across the range searching for fresh water and abundant grazing. But humans have begun to encroach on Sky's homelands. With fewer resources to share, Sky knows that he must leave if his family is to survive. He hopes that one day he'll be strong and brave enough to return and challenge the stallion to lead the herd. Being a lone wild horse in a vast landscape is not easy, and things get even more dangerous when Sky is captured and forced to run for the Pony Express. Now, against all odds, Sky must find a way to escape and reunite with his family. *A Horse Named Sky* is a stand-alone companion novel to Rosanne Parry's New York Times bestsellers *A Wolf Called Wander* and *A Whale of the Wild*. Chronicling the perils of westward expansion and the grueling Pony Express from the perspective of a wild horse, *A Horse Named Sky* is a gripping animal survival story about family, courage, trust, leadership, and loyalty. Impeccably researched and illustrated in black-and-white throughout, *A Horse Named Sky* is an excellent read-aloud for parents and teachers and a wonderful choice for fans of DreamWorks' *Spirit* and Anna Sewell's *Black Beauty*. Includes black-and-white illustrations throughout, a map, and extensive back matter about wild horses and their habitats.
