Top rated romantic suspense at its best!\*\*\* What happens when the hunter . . . becomes the hunted? Kit Kenyon is a first-rate hostage negotiator. Noah Lambert is a good detective with excellent instincts. These new partners have hardly had time to get used to each other when they are thrown into a grisly murder case. As evidence mounts and more victims are found, Kit and Noah realize they are on the hunt for a serial killer. The problem is, he may be hunting one of them too."Sure to appeal to fans of romantic suspense as well as readers who like Joel C. Rosenberg and Ted Dekker." Library Journal "A nail-biter from start to finish." RT Book Reviews "Take a fast-paced thriller, add a touch of romance and a pinch of inspiration." Booklist
