The fur is about to fly between a cheerful cat sitter and a grumpy hockey nerd in this hilarious and charming rom-com by the New York Times bestselling author of Meet Cute . Kitty Hart has become internet famous as the Kitty Whisperer for her expertise on all things feline, and as a result, her cat-sitting business is booming. But lately, she has a terrible feeling that maybe her life isn't quite going where it's supposed to—especially after falling face-first into her newest client. Not exactly the best first impression . Fortunately, Miles Thorn is just as bad at first impressions. Strike one: he doesn't like cats, especially Prince Francis, the haughty and mischievous Sphynx his mom left in his care. Strike two: tackling Kitty to the floor in a misguided attempt to save the pet he continually calls "the gremlin." As awkwardness slides into attraction and things start to turn purr-sonal, will these two complete opposites ever be able to find their furry-tail ending?
