1. **1 NEW YORK TIMES BESTSELLER** • Until that September of 1952, Luke Chandler had never kept a secret or told a single lie. But in the long, hot summer of his seventh year, two groups of migrant workers – and two very dangerous men – came through the Arkansas Delta to work the Chandler cotton farm. And suddenly mysteries are flooding Luke's world. A brutal murder leaves the town seething in gossip and suspicion. A beautiful young woman ignites forbidden passions. A fatherless baby is born ... and someone has begun furtively painting the bare clapboards of the Chandler farmhouse, slowly, painstakingly, bathing the run-down structure in gleaming white. And as young Luke watches the world around him, he unravels secrets that could shatter lives – and change his family and his town forever.... Don't miss John Grisham's new book, **THE EXCHANGE: AFTER THE FIRM!**
