Death wants his missing souls back-and he's ordered me to find them. If I fail, Limbo will descend into chaos, trapping his reluctant consort, my sister, with him forever... If that wasn't bad enough, vengeful spirits are targeting the male I'm hopelessly in love with. Ren's already been through hell and I won't let the self-destructive fox shifter get hurt again, even if being near him is pure torture. Ren insists on returning the favor. He'll help with my task while I use my powers to soothe his scarred soul. I know the explosive chemistry between us is just a cruel side effect of my magic, but I can't resist him. Now all I want to do is retreat, but healing Ren is more important than my wounded heart-leaving me with only one choice. Stop loving him. By any means necessary...
