Iris It's the scars you can't see... After my last boyfriend tried to kill me, I swore off relationships for life. So why can't I stop thinking about the dangerous-and completely unstable-alpha of the new wolf pack in town? Thankfully, my heart isn't in any danger, because Draven Moreau hates me with a fiery passion. But when witches start disappearing and the fate of our coven's magic falls to me, I desperately need his help. Only he doesn't want anything to do with me...until he does. With a hidden enemy drawing me into their sick and twisted game, Draven suddenly wants me close, whether I like it or not. As darkness closes in and the horrors of the past are repeated, I'll have to fight for my life-and a love I'd never dared to hope for.
