However, meanings and traditions change throughout time and culture. Plants have been used as symbols for thousands of years. Flowers gained Missing: pdf Flowers are a great way to communicate your love and affection. Over the years, flowers developed sentimental meanings that express a special message. At a time when many feelings were discouraged and repressed, flowers, whether sent singly or in complicated arrangements f HAKSPEAREtellsasthatfairiesuseflowersfortlieircharactery,andso,hemighthaveadded,do mortals,forthelanguageofflowersisalmostasancient The Language of Flowers: An Alphabet of Floral Emblems (London; New York: T. Nelson and Sons,) The Victorian interest in botany went hand in hand with the Victorian interest in the “language of flowers”. During the Victorian Era, the use of plants and flowers gained special meaning, though it had been used for centuries. Today the flowers of the Victorian Era do not have the same meanings they once did. More complex arrangements sending specific messages might have originated from the court of Constantinople in Ottoman Empire [] Flowers had powerful meanings in the Victorian Era and were often given as a way to express emotions.
