Enjoy this steamy cowboy series by USA Today Bestselling small-town romance author Erin Wright... He's a rancher, dammit, not a bookkeeper... When cowboy Stetson Miller inherits his father's farm in small-town Idaho, he's too focused on crops and yields to pay attention to the financial side of things. The next thing he knows, he's got a stack of unpaid bills, the bank is threatening to foreclose...and the auditor who's come to examine his accounts is the sexiest thing he's ever laid eyes on. But she's a city girl, just like the last one who left him at the altar. He'll guard his heart – but he can't help wanting her. She's checking him out, in more ways than one... Jennifer Kendall doesn't mind a tough job, but the handsome Stetson is trouble of a different kind. When he isn't making her mad, he's filling her head with all sorts of forbidden fantasies. The sparks between them fly even faster when the road washes out and Jennifer has to spend the night on the farm. But passion alone won't pay the bills. Can Jennifer find a way for Stetson to save his farm? And if she can't, will he ever forgive her? Accounting for Love is the first novel in the Cowboys of Long Valley Romance series, although all books in the Long Valley world can be read as standalones. For fans of Catherine Anderson, Linda Lael Miller, or Jamie K Schmidt, this is a HOT romantic story with a guaranteed happily ever after. It does have some strong language and oh my, sexy times. Enjoy!
