Have you met the Cassidy Brothers? Begin your journey with Cade and Mara in Across the Hall! ***This book contains descriptions of sexually explicit encounters between consenting adults. He fell in love when he was eight years old. His summer vacation had led to a childhood crush that he'd never forgotten. Though he didn't realize it, he'd looked for her in every woman he'd dated. She'd fallen in love, too. The lonely little girl she'd been had found a new friend, making for her best vacation ever. She's all grown up now but still lonely, perhaps more so than ever. A walk on the beach will change both their worlds forever.
