This gripping new thriller will leave you on the edge of your seat. A devastating explosion. Three best friends attend a concert. Only one makes it out alive. A trunk full of evidence. When police stop Dustin Webb with a warrant to search his trunk, he knows there's been a mistake. He's former military and owns a security firm. But he's horrified when the officers find explosives, and he can't fathom how they got there. An attorney who will risk it all for an old friend. Criminal attorney Jamie Powell was Dustin's best friend growing up. They haven't spoken since he left for basic training, but she's the first person he thinks of when he's arrested. Jamie knows she's putting her career on the line by defending an accused terrorist, but she'd never abandon him. Someone is framing Dustin to take the fall for shocking acts of violence . . . but why?
