ROXANNE When I applied for the sales manager job with the Philadelphia Bulldogs, I never thought they would offer it to me on the spot. Luckily for me, my twin was letting me stay at his place while he played hockey overseas. Then he dropped the bomb that Benny was his new roommate. You know, the only guy on the team I couldn't stand. I don't know how we're gonna survive being roommates. Because honestly? Some days I wasn't sure if I wanted to kiss him or punch him. BENNY When TJ told me his sister was moving to Philly and needed a place to stay, I knew I should have high-tailed it out of town for the offseason. But I didn't. Because I was all sorts of foolish when it came to the feisty woman. Every time our paths crossed, I opened my mouth and made her mad. Usually with good reason, too. The two of us being roommates was bad news. We're either going to kill each other or I was gonna give her the best kiss of her life. I wasn't sure which was worse. The Philadelphia Bulldogs hockey team are back, in this all new-standalone novel. Books can be enjoyed in any order. If you love a steamy enemies to lovers romance, this one is for you.
