known his greatest power—the power of his free will to give his life for others. This volume gathers together his thoughts on this profound and deeply influential concept The ethic of reverence for life is the ethic of Jesus brought to philosophical expression, extended into cosmical form, and conceived as intellectually necessary. known his greatest power—the power of his free will to give his life Schweitzer's aim was not to dazzle an age but to awaken. The individual in today's world feels cut off from the large forces or movements that determine his future. meaning of existence for him The phrase Reverence for Life is a translation of the German phrase: "Ehrfurcht vor dem Leben." These words came to Albert Schweitzer on a boat trip on the Ogooué River in French Equatorial Africa (now Gabon), while searching for a universal concept of ethics for our time. The surmising and longing of all deeply religious personalities is comprehended and contained in the ethic of reverence for life In, he was awarded the Nobel Prize for his philosophy of Reverence for Life —and for the many ways he put that philosophy into action. it, to make it comprehend that moral splendor is part of the gift of life, and that each man has unlimited strength to feel Just as white light unites the colour spectrum, reverence for life unifies specific virtues; and just as white light refracts into colours, reverence for life refracts into specific virtues In, he was awarded the Nobel Prize for his philosophy of Reverence for Life —and for the many ways he put that philosophy into action. This volume gathers together his To reform western civilization, he proposed the ethics of reverence for life, which is based on the fundamental experience of man: "I am life that wills to live, and I exist in the midst The individual in today's world feels cut off from the large forces or movements that determine his future. In Civilization and Ethics, Schweitzer wrote Reverence for Life is twofold for Schweitzer: We express care and compassion for suffering, bearing witness to what other humans endure, as we are part of that suffering, while seeking and cele- The theologian and humanitarian Albert Schweitzer dedicated his life to the betterment of mankind.
