Award-winning author Anna Funder delivers an affecting and beautifully evocative debut novel about a group of young German exiles who risk their lives to awaken the world to the terrifying threat of Hitler and Nazi Germany. Based on real-life events and people, *All That I Am* brings to light the heroic, tragic, and true story of a small group of left-wing German social activists who mounted a fierce and cunning resistance from their perilous London exile, in a novel that fans of *Suite Française*, *The Piano Teacher*, and *Atonement* will find irresistible and unforgettable. "An intimate exploration of human connection and our responsibility to one another." —Colum McCann, author of *Let the Great World Spin*
