ISBN-13: 9780451487902

From Ilona Andrews—#1 New York Times bestselling author of Magic Shifts and the Kate Daniels novels—comes a stark, seductive tale of a world torn asunder by supernatural gifts and irresistible passions... Karina Tucker is driving a van of children home from a field trip when an unplanned detour to a seemingly ordinary rest stop changes her life. There, she witnesses a world beyond humanity's sight, of frightful powers and chaos, where she is in death's grip...before an irresistibly dangerous male saves her—only to take her captive. For she is a rare commodity in the shadowy realm she's entered. Karina soon finds herself caught in a violent civil war where those with inhuman powers strive to destroy each other without mercy. And it becomes all too clear that she must make a choice: submit and become a pawn, or take hold of her own destiny and fight for survival against impossible odds. Alphas: Origins originally appeared in Angels of Darkness . Praise for Ilona Andrews and the Kate Daniels Novels "Ilona Andrews pens my favorite flavor of keeper novel: tough characters, marvelous voice, fast-paced with that sharp edge of humor that adds the final grace note."—Patricia Briggs, #1 New York Times bestselling author of Fire Touched "One of the brightest voices in urban fantasy. Ilona Andrews delivers only the best."—Jeaniene Frost, New York Times bestselling author of Bound by Flames "Gritty sword-clashing action and flawless characterizations will bewitch fans."— Sacramento Book Review INCLUDES A TEASER FOR MAGIC SHIFTS
