- 1 New York Times bestselling author and BookTok sensation Ana Huang brings all the steam, angst, and forbidden love you could ask for in her hit Twisted series, which follows four friends and the heartbreak and passion that leads them to love. Twisted Love Alex Volkov is a devil blessed with the face of an angel and cursed with a past he can't escape. His ruthless pursuits for success and vengeance leave little room for matters of the heart, but when he's forced to look after his best friend's sister, Ava Chen, he starts to feel a crack in his chest. Ava is trapped in her own broken memories, but despite her past, she's never stopped seeing the beauty in the world...including the heart beneath the icy exterior of a man she shouldn't want. Twisted Games Elite bodyguard Rhys Larsen has two rules: Protect his clients at all costs, and do not become emotionally involved. Ever. He has never once been tempted to break those rules...until her. Regal, strong-willed, and facing a loveless political marriage, Princess Bridget von Ascheberg is nothing he expected and everything he never knew he needed. Day by day, she breaks down his defenses until he's faced with a truth he can no longer deny: he swore an oath to protect her, but all he wants is to have her...even if their forbidden love could destroy a kingdom. Twisted Hate Gorgeous, cocky, and fast on his way to becoming a hotshot doctor, Josh Chen has never met a woman he couldn't charm—except for Jules Ambrose. But when their animosity explodes into one unforgettable night, he proposes a solution: an enemies with benefits arrangement. And the more they get to know each other, the more Jules realizes there's more than meets the eye to her best friend's brother. As the demons from their past catch up with them, they're faced with truths that could either save them ...or destroy everything they've worked for. Twisted Lies Charming, deadly, and smart enough to hide it, Christian Harper is a monster dressed in the suits of a gentleman. He has little use for morals and even less use for love, but he can't deny the strange pull he feels toward the woman living one floor below him. Stella Alonso is a romantic who keeps her heart in a cage, but when a threat from her past drives her into the arms—and house—of the most dangerous man she's ever met, she's tempted to let herself feel something for the first time in a long time. But when his truths are revealed, they could shatter everything.
